29 June 2020

Dear Parents/Carers

Free School Meals

I write to inform you that effective Monday, 29 June 2020 your child will no longer be eligible for the free school meal supermarket vouchers you have been receiving during the lockdown period. This is because of the official leaving date for Year 11 students, the point at which they are removed from the school's roll, is Friday, 26 June 2020.

The current guidance means that your child will no longer receive the supermarket vouchers. However, I would like to reassure you that the Trust is making representations to the Government to ask that they review their position so that you can continue to receive the vouchers over the summer holidays. It is important to note that the Government may not change the guidance but I will keep you updated on any progress the Trust makes.

I appreciate that this may cause considerable distress to families so please do get in touch, using the 'Contact Us' button on the school website, if you need any additional support.

Yours faithfully

Lisa Allott
Principal
