Promoting Good Attendance All Year Long

Top Tips

1. Routines - The easiest way to ensure your child attends school on time every day, is to establish a 'good morning' and 'good evening routine'.

If mornings are hectic in your household prepare as much as possible the night before.

2. Punctuality - It is important that your child attends school every day and on time. Arriving late to school is unsettling for children.

3. Ensure information is up to date. Please check our school twitter account with regular updates and ensure we have your correct contact details.

Every lesson Counts

We expect all our children to have attendance above 97%. There is a noticeable increase in absence when the weather is cold or wet. This is not a good enough reason to keep your child at home. Children do not get ill from cold weather. In fact it can be very refreshing to get out of the house and into the fresh air.

Please support us in supporting your child's education.

Did you know.....Three Strikes and you're out!

Being late or not turning up for work in the fire service would not only mean you lose your job, someone could lose their life. If a fire engine does not have enough staff then it cannot react to emergencies!
