You can donate via the I-pay app from **NOW until 8th December 2022** or donate a gift which will be collected by one of our Student Voice representatives and placed on the stage in the hall. Donations after this date will still be accepted but will be given as cash to the given charity.

Mission Christmas support children from **birth to 18**, but always struggle most with **gifts for babies and teenagers (especially boys)**.

## What you can and can not donate

- Unfortunately we can't accept donations of any food.
- Selection boxes - Yes - these must be new and sealed and will only be given as an addition to a gift bundle.
- We can't accept any second-hand or used gifts, regardless of their condition, for health and safety reasons. We also only accept new gifts to ensure that the children we support are getting something new for Christmas - especially since it may be the only gift they receive.
- All gifts should be **unwrapped**.
- Rolls of wrapping paper are accepted.
- Clothes - We do, but please try to only donate clothing that is one-size-fits-all (e.g. hats and scarves) as we aren't given sizing information for the children we support. Please also remember that this is a gift appeal, so we would appreciate it if you chose an item of clothing suitable to give as a gift. Clothes must be new and carry all washing and safety tags. **Unfortunately we can't accept hand-made clothing or second hand clothes.**
- **These will be delivered Wednesday 14th December.**
