## September arrangements

Two letters will be on our website imminently for all current parents and carers and for those joining us in September.

- End of year letter with a reminder of how to plan for a successful return in September and our expectations of uniform and behaviour
- Start of September return plan including the required Covid lateral flow testing for those students with consent.

Please read these letters carefully, if you have any questions please contact us.

## Year 11 - Teacher Assessed Grades

We hope our outgoing Year 11 have enjoyed a rest following a very busy evidence collection period. Year 11 parents and carers have received a text regarding a letter on our website about the results collection on the 12th August. It is important that parents, carers and students read this carefully regarding how results can be collected and the process students need to follow if they wish to appeal any of their grades.

On our website home page are two buttons as part of the tile of buttons:

 TAG Appeals Information	 Teacher Assessed Grades	 Year 6 Transition
 Prospectus & SIP	 Attendance and Absence	 Mental Wellbeing
 Vacancies	 Term Dates	 Contact Us

- **Teacher Assessed Grades** - this contains all the information regarding the formation of the grades this year
- **TAG Appeals Information** - this contains a copy of the letter sent to parents and carers about the appeals process and a range of other documents to support any queries regarding this

We look forward to seeing all Year 11 students on the 12th August between 9am and 11am to collect their results.

## PLEASE SPREAD THE WORD...

Reminder to our community - if you have not yet collected your GCSE certificates from previous years they may still be with us. Please make contact to check this. We do have to return them to the exam board after a period of time and they can be expensive for you to replace if you need them later in life. Please collect them!

## Guardian Summaries

We often receive from parents questions about how they can further support their child. One method is by signing up to **Guardian Summaries**.

A detailed support area for this is here
