Dear Parent / Carer

### **Y8 Parents evening - Tuesday 21st May 2024**

I would like to invite you to attend our upcoming online parents evening which will cover all subjects for Year 8. This year, from feedback we received previously, the Year 8 parents evening will be held online via SchoolCloud, allowing for more flexibility of where parents, students and teachers can access the event.

The Academy previously introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with the teachers and you will receive an email confirming your appointment/s. The feedback we have received has been very positive from parents, therefore we are continuing with this system.

*The booked appointment/s will then be conducted online from 15:30 - 18:30 on the date above.*

**Appointment bookings will open on Monday 13th May at 9am** and will close on Friday 17th May at 9am. Changes after this time will need to be requested via Main Reception. We expect this to be a very busy evening so please book appointments early to avoid disappointment.

Please visit <https://outwoodacademyfreeston.parenteveningsystem.co.uk> to book your appointments, or a link to SchoolCloud is also on the homepage of our website.

To login to the system you need your child's name and date of birth. **Please be aware that the system is highly sensitive to this important information, therefore please ensure details are inputted carefully.**

If you do not have access to the internet or have any further issues please do not hesitate to contact us at [enquiries@freeston.outwood.com](mailto:enquiries@freeston.outwood.com) or 01924 302560.

Yours faithfully  
**B Eccersley**
