

Welcome to PC Perkins, Our Safer Schools Liaison Officer

Hello,

I am PC Ami Perkins and I am a member of the West Yorkshire Police Safer Schools team.

I am a uniformed constable based at Normanton Police Station. I will be working at Outwood Academy Freeston every Monday and Tuesday.

Please do not be alarmed at having a uniformed police officer in the school. The safer schools initiative has been running very successfully for a number of years across the force area, and there is also a safer schools officer currently working full time at Outwood Grange Academy, Outwood Academy Hemsworth, Outwood Academy City Fields as well as many other schools in the district.

My role is to assist the school with safeguarding matters, offer support to students and deliver early interventions to students if required. I hope to be able to contribute to learning opportunities and exciting enrichments and to help deliver a safe environment for everybody in and around the school.

It is not my role to get involved in day to day discipline matters within the school unless absolutely necessary.

If you have any questions please feel free to talk to me at the school gates at the start and finish of school on the days I am in. I look forward to working with the young people in the academy.
