NEW

Dear Parent/Carer

The screenshot shows the OAFreeston website interface. At the top, there is a navigation bar with 'Home', 'Students', 'Parents/Carers', and 'Teachers'. The main heading is 'Weekly Work Summaries'. Below this, there is a date selector with buttons for '15th June 2020', '18th May 2020', '8th June 2020', '11th May 2020', '1st June 2020', and '5th May 2020'. At the bottom, there are three promotional cards: 'Your health is just as important as your school work', 'Well done!', and 'You can do this!'. A large purple banner with the word 'NEW' is overlaid on the top left of the screenshot.

We have a **'NEW'** feature added into Google Classroom, to keep you updated with information about the learning and progress for your child. Just complete the opt-in Google Form *with* your child and you can then select to receive daily or weekly learning updates. *(Please note: this must be completed through their student outwood google account).*

These emails, known as **'Guardian Summaries'**, include information about missing work, upcoming work, and class activity including announcements and questions posted in the class stream.
