THE PRINCE'S TRUST

The Prince's Trust came into the Academy on Wednesday 13th December to hold an Enterprise event with Year 9 students. It was a very competitive day, with students having to create their own business idea and then pitch it in front of the rest of the group, and visitors from The Prince's Trust. Wednesday saw Belgium tutor group take on Chile, with lots of outstanding performances from the teams, but with the Kandulars team from Belgium winning overall!

The Prince's Trust are returning for a further 3 days, with all other tutor groups in Year 9 taking part. On Friday 14th December we have China taking on Denmark, then on Monday 18th December there is Malaysia v Mexico, then we finish off on Wednesday 20th December with Nigeria against South Africa. The winning teams have a chance of progressing through to the regional final for the North of England, so we all have our fingers crossed for this!!!

Thank you to The Prince's Trust - Year 9 have had an amazing time!
