

5th November 2021

Dear Parent/Carer

At the start of this academic year, we explained to all year 11 students about the forthcoming assessments in November and March 2022. From Monday 8th November for two weeks, year 11 students will be completing assessments across English, Maths, Science, Sports Studies, and iCreative Media. These assessments are designed to test knowledge and skills with a view to moving students forward and closing the gaps to enable them to achieve the best possible grades in August 2022.

Please find attached the timetable of y11 scheduled assessments over this two week period.

Year 11 Internal Assessments take place from Monday 8th Nov 2021 to Thursday 18th Nov 2021

Science

Science enrichment is on a Wednesday 2:30 to 3:30 and again there is a fantastic website to help your child with their Scientific studies: <https://science.outwood.com/>

English

English enrichment is on a Thursday from 2:30 to 3:30pm, the Outwood English revision website has a bank of information and resources for each element of the courses for both English Language and English Literature, which your child can access to support their learning: revision.english.outwood.com.

iCreative Media

Please encourage your child to access the revision tools in Google Classroom. This will support their learning in preparation for their exam.

Sports Studies

Please encourage your child to access the revision tools in Google Classroom. This will support their learning in preparation for their exam. There is a bank of resources for them to revise from here.

We also have a GCSE Revision Survival guide which has useful information and top tips on revision techniques. [GCSE+Survival+Guide+15.09.21 \(1\) \(1\).pdf](#)

Many thanks for your support encouraging your child to prepare and revise for these forthcoming assessments.

Yours faithfully

L Marsh
