# Homework Schedule 2023 - 2024

<b>English</b>	30 minutes personal reading book every day. Literature texts are read in lessons and students are required to revise these independently. All lessons are put on Google Classroom, as well as links to the Outwood English revision website to encourage students to start to revise the skills required for the examination.	<b>Weekly</b>
<b>Maths</b>	Online Sparx maths - complete the compulsory set assignment. Sparx automatically sends emails to parents/carers. Competitions run for the top scoring students. Home learning resources are uploaded to Google Classroom mirroring the lessons being taught in the classroom including key learning points and modelled videos for students to follow. Practice exam papers handed out over holiday periods and mark schemes provided for students to self assess.	<b>Weekly</b>
<b>Science</b>	GCSE Prepper is set weekly for students to complete practice exam questions, which are then marked online and students receive marks/feedback. These directly correlate to each GCSE unit.	<b>Fortnightly</b>
<b>History</b>	Homeworks are short Google quizzes (usually around 5 questions) that fit in with each topic within units. All lessons are put on Google Classroom, as well as links to the History revision website to encourage students to start revising History early on in the course.	<b>Weekly</b>
<b>Geography</b>	Homework is set through Google Classroom. Homeworks are short Google quizzes that fit in with each topic within units. All lessons are put on Google Classroom, as well as links to the Geography revision website to encourage students to start revising Geography early on in the course.	<b>Weekly</b>
<b>Spanish</b>	LanguageNut (online language learning platform) and/or printed tasks which may be a reading task, writing, or speaking preparation. There will be a weekly vocabulary test for which pupils are expected to revise.	<b>Weekly</b>
<b>Art &amp; Design</b>	Drawing practice tasks or research tailored to the artist or culture learnt in lesson time. All work and resources are uploaded into the students' google classroom for art.	<b>Weekly</b>
<b>DT</b>	Google classroom homeworks including quizzes, The use of Google sketchup for CAD designs and projects work. Booklets are uploaded into classroom for students to access at home.	<b>Fortnightly</b>
<b>Drama</b>	Students are expected to complete coursework at home and during enrichment time. This may be research tasks as well as written coursework that will go towards their final grade. This is especially important for Component 1. In addition there is an expectation for students to learn lines and reflect on their practical work.	<b>Fortnightly</b>
<b>Sports Studies</b>	Worksheets/questions/Assignment based prep for their assignments. Presentations, assignment briefs and linked resources and booklets are all on classroom.	<b>Fortnightly</b>
<b>ICT</b>	All resources are provided on Google Classroom for independent learning at home. This may take the form of google quizzes, work sheets or completing work from lessons.	<b>Fortnightly</b>
<b>Business</b>	Homework is set through Google Classroom <i>when appropriate</i> . All resources are provided on for independent learning at home. This may take the form of quizzes, worksheets or completion of work.	<b>Weekly</b>
<b>Life/RE</b>	In Year 10 this is found in the form of mini-projects, posted into Google Classroom at the appropriate point. Reviews of learning take the form of mini-starter quizzes.	<b>Weekly</b>
