

FOCUS ON STAYING SAFE AND POSITIVE WELLBEING SCHOOL IMMUNISATION TEAM

The school immunisation team have asked me to share their Facebook page and website with you. They contain the contact details for any parent queries and also advertise any upcoming clinics where they can catch up with outstanding vaccinations of young people.

They still have some availability left at the Feb half term clinic and parents can contact them to arrange an appointment.

TRUTEX PRICE INCREASE

Please note that Trutex have informed us of a price increase. Please find a letter about this [here](#).

YEAR 7 RUGBY TEAM JOIN THE YORKSHIRE CUP QUARTER FINALS

Year 7 Rugby have played away to Sirius West Academy. They were missing 5 players!. They were 18-6 up with 13 minutes to go and it ended 18-18. They then went into golden point extra time. First half no score. Second half with 2 mins left and they broke free and scored in the corner. All this with only 12 players! Well done team!!

Courage through adversity and they now join our Yr8 and Yr10 into the Yorkshire Cup semi finals and we have now three school year groups into the last 16 of the Nationals.

Man of the match was Mason and Tahi. Also credit to Kian.

YEAR 7 ICE HOCKEY REWARD

We're excited to share a special moment celebrating our Year 7 students' outstanding achievements. Recently, 40 students with the highest praise enjoyed a sold-out Leeds Knights Ice Hockey game as a well-deserved reward. At Freeston, we value and reward hard work, positive behavior and excellent attitudes to learning, so these Y7 students were invited to experience an electrifying evening at the sold-out arena, cheering for the Leeds Knights against Milton Keynes Lightning.

This event, beyond being a break from routine, fostered bonding and camaraderie among students. The atmosphere was electric, and the game's excitement left lasting memories. Many sore throats and aching arms joined us on the return coach trip, but all worthwhile after a 3-2 victory to Leeds.

We extend our gratitude to the Leeds Knights and our dedicated staff for making this unforgettable experience possible. As we celebrate our students' achievements, this adventure serves as a reminder that hard work and positive behavior bring rewards.

BEE NETBALL EVENT

Recently we welcomed 24 Year 6 students from Altofts Junior School and St. John's Primary School. This was a Develop and Play session aimed at students who were not as confident in PE. The students took part in a Bee Netball event that involved them learning a range of skills including passing, shooting, ways of attacking and defending. They then played lots of games to give them a chance to apply their skills into games. The session was planned and delivered by members of the Year 9 and 10 netball team and Sport

Studies students who are developing their leadership skills. All students and leaders had a thoroughly enjoyable afternoon. Six students were chosen as Star Students by our leaders for their positive attitude and effort throughout the event. Well done to all students involved and to Jess, Lydia, Edie, Ava, Emily and Olivia for leading the event!
