Subject	Platform	Information to help get logged in...
English	<p>Years 10 and 11: English Website</p> <p>Years 7, 8 & 9 Accelerated Reading Accelerated Reader Website</p> <p>Sign In - myON®</p>	<p>All the key messages you will have been taught in your lessons at your fingertips written by Outwood English directors and teachers – <i>the experts</i>. There are lots of revision programmes to use.</p> <p>You pick a book at your own level and read it at your own pace. When you have finished you take a short quiz on the computer. If you pass the quiz you have shown you understand the book you have read. The test also offers advice and helps sets goals that will aid you in your reading progress. It is recommended that you spend 15 or 20 minutes reading each day (in addition to the reading you do at school).</p>
Maths	<p>Sparks All year groups Sparx Maths</p>	<p>Once you are logged in to Google, you can type the websites opposite into the search bar. There is now a single Google sign on (blue button). There is then an option for Compulsory homework, XP Boost, Target and Independent Learning. The compulsory must be completed every week. The XP boost and target questions are individualised for students depending on questions they have gotten wrong previously. The Independent aspect is for any other revision students would like to do above the expected requirement.</p>
Science	<p>Y9, Y10 and Y11 Science Website</p> <p>Y7 and Y8</p>	<p>Full instructions on how to log on are in Google Classroom under the homework classwork folder.</p> <p>Home learning projects will be set within several weeks to complete this. These can be found in Google Classroom.</p>
Spanish	<p>Languagenut www.languagenut.com</p>	<p>Log onto languagenut with your username and password. You have 3 options. Assignments are where you can find your current homework. Spanish is an open platform where you can earn extra points by completing any additional tasks. Lost your username and password - contact your teacher via google classroom, email or face to face in class.</p>
History & Geography	<p>History.outwood.com</p> <p>Geography.outwood.com</p>	<p>Once you are logged in to Google, you can type the websites opposite into the search bar. The website will then show KS3 or GCSE buttons. Click the one that applies to you, this will then take you to different units of the course, where you will find video tutorials, quizzes and lots more!</p>
All other subjects	<p>Google Classroom</p>	<p>Students should login to google classroom and click 'To Do', on the top left hand of the screen. This is an easy way to find out the work due that week and any work which has been scheduled for future learning.</p>
